Message from Vice-Chancellor

"YOU EDUCATE A MAN; YOU EDUCATE A MAN.

YOU EDUCATE A WOMAN; YOU EDUCATE A GENERATION." - **Brigham Young**

Education provides an essential driver for the growth of any country. However, it's of much more relevance for our country if we can create gainful knowledge passing from one generation to another generation by educating our women. Our university's vision very appropriately goes in sync with these thoughts. I can proudly say that since its inception in 2013, IGDTUW has distinguished itself as the premier institution of higher education for women in India. The university located in the capital city of India is a beacon of knowledge and has pioneered numerous novel initiatives of teaching-learning.

Despite its young age, IGDTUW is recognized as an integral part of Delhi's cosmopolitan, vibrant space. We keep our motto *Aapo Dipo Bhava* ("Be a light unto yourself"), at the heart of everything we do. We can make this university unique by generating new ideas that will benefit society and educate people. The university has introduced a choice based credit system for allowing the students to explore themselves beyond their conventional degree courses.

With seven Departments and a pool of almost 200 dedicated and talented teachers and staff members, the university is committed to offering exceptional educational opportunities across a wide range of courses and advanced curricula, avant-garde pedagogy, excellent infrastructure and comprehensive extracurricular activities. Here at IGDTUW, we offer our students a plethora of opportunities designed to either start their career or move their career forward while enabling them to confidently explore new industries for career possibilities and consider options that they may not be aware of. Our university aims to provide the theoretical knowledge and provide them with a platform to find the entrepreneur in them with the help of our business incubator, "Anveshan Foundation".

On behalf of the university community, I invite the parents and students to explore our offerings on the following pages. I am assured that your being part of the university's student community will enrich you, help you grow, enable you to make suitable choices, and facilitate you to take up roles in life in a fulfilling manner not only for yourself but also for humankind.

I look forward to your having a pleasant, healthy and fruitful association with IGDTUW. I welcome all of you to IGDTUW.

**Dr. (Mrs.) Amita Dev
Vice Chancellor**

Transforming students into Leaders through Meticulous Programs

The University has adopted a Choice Based Credits System CBCS with the option to choose tracks for interests for women students with multiple exit options. These tracks include- Project Track, Entrepreneurial Track, Research Track, MOOC track.

The syllabus of the programs is the latest and as per the industry requirement. Innovative projects like women and society, business entrepreneurship, and others under the generic open elective category are added in the curriculum to give the students a variety of subjects to select for their overall and holistic development.

Students also take part in various curricular and extra-curricular activities and competitions within the university and outside. On several occasions, they represented the University and win prizes and medals to bring laurel to the university. The University students are encouraged to participate in various National and International events, competitions including Hackathons and won various Awards / Prizes. The University has seven Technical membership societies like ACM chapter, IEEE, OSA, WiBD etc., fourteen institute level societies and four clubs related to various Technical, Art and Culture and Environment activities.

For industry exposure, the University has signed several MoUs with leading industries including IBM, CISCO, NASSCOM Foundation, EATON, and several others so that students can get advantages of the latest trends and techniques adopted by the industry. Through these MoUs and linkage, students become better industry-ready professionals before the completion of their programs.

Also, University has received financial and mentorship support from International organizations like GiZ, Germany, Nexus, the USA to promote innovation, entrepreneurial culture among girl students. Workshops, boot camps, seminars, pitching sessions are conducted regularly for converting the emphasis from job seekers to job providers. In the last financial year i.e. 2020-21 amid the pandemic, IGDTUW-Anveshan Foundation, the incubation Centre has become NIDHI-TBI by Department of Science & Technology, Government of India with a support of INR Four Crores Fifty Lakhs.

The Career Trajectory

The Training and Placement Department facilitates the Campus Drives and offers placement and internship utopia for our students. Retaining and revitalizing the past glory, the highly energetic

There has been an exponential growth and the current placement statistics stand true to this testament. IGDTUW students, faculty and staff expects that this trend will continue throughout the placement season and companies will continue to reiterate the ever-increasing confidence on IGDTUW.

The Placement Season for the batch 2021-22 started with the high note and more than 83 companies have visited the campus with total number of offers for IGDTUW girls of circuit branches, i.e CSE, IT, ECE as 563 for the academic year 2020-21. 327 Full Time Offers, including the 93 pre-placement Offers and 53 dual offers has shown that even the tough testing times of Covid -19 had no impact on the placement season at IGDTUW.

In addition to this 155 summer internship offers for third year girls and 134 offers for six month internship have been the icing on the cake of the girls, who again did it this year too!!!.

The highest CTC of Rs. 59.45 Lakhs from Google and internship package of Rs.1.6 Lakhs per month from Uber were the highest in each category.

It is a matter of stupendous pride to share that compared to the last year, there has been a rise in average CTC from 13.3 Lakhs per annum to 19.15 Lakhs per annum and a rise in highest package from 43.3 Lakhs to 59.45 Lakhs.

The university is extremely proud to partner with some of the leading names such as Atlassian, Google, Microsoft, Intuit, Uber, Goldman Sachs, Deutsche Bank, Morgan Stanley, Walmart, Flipkart, Salesforce, Adobe, American Express, Volvo, Expedia, Cisco, GE, Nestle, Siemens, Accenture, Myntra, DELL etc.

New companies that visited us for the first time this academic year-2020-21 are: Atlassian, BNY Mellon, Zomato, Adidas, Wells Fargo ,Standard Chartered, Grant Thornton, Confluent, Athenahealth, Barclays, AppDynamics, Testbook, Ericsson India, Analog Devices Marvell Semiconductors, DE Shaw , JTG , Teradata and PhonePe.

The huge number (93) pre-placement offers bagged by students in these pandemic times and new recruiters constantly coming to the campus to hire shows the promise and reputation that the students have built for the University.

Atlassian offered package of 51.5 CTC, came for the first time and hired 9 students, the highest number from any university in India in this season. Microsoft IDC has offered 20 Full time and 40 summer internships-2021 offers.

Social Responsibility Initiatives (CSR Activities)

The University has established chapters with memberships available for several Technical societies like ACM, IEEE, OSA, WiBD etc., fourteen Institute level societies and four clubs related to various Technical, Art, Culture and Environment related activities. The University also motivates students to become Entrepreneur through DST recognized IGDTUW - Anveshan Foundation. IGDTUW believes in holistic development of students and shows acute concern in inculcating social responsibilities. Since last year University is working for Vigyan Jyoti Project of DST with the mandate to promote and create awareness on STEM Education among the girl students. This Project has fetched an over-whelming response from Government Schools where students of Class 10th came for training during summer breaks and walked out confidently with a self-made working robot.

One of the best things about University/College life, undoubtedly, is getting to explore things other than academics. University societies are one such platform which help students to engage in different activities and help them to further hone their skills through vigorous participation in various creative fields of their interest.

There are innumerable societies present in IGDTUW which provides a holistic environment for girl students to engage and participate in the activities of their interest. IGDTUW believes that these societies bring in a platform for Women power and Women empowerment among its girl Students and enhance their personal growth with exemplary work apart from just academic achievements.

By being a member of any society, IGDTUW Students are expected to attend meetings, take part in discussions with other members, suggest ways on how to improve work quality, etc. They also bear the responsibility to organize various events and fests throughout the year. Society members also visit other Universities/colleges and participate in the competitions being held there to represent their respective colleges at different levels. Moreover, societies also help to provide good exposure to the students as they are associated with various other reputed organizations and individuals, who can guide them efficiently.

IGDTUW has a number of on-going projects with measurable impact not only on the technological enhancements but also the environment and the society through various societal initiatives such as Swach Bharat Abhiyan and Unnati Bharat Abhiyan etc.

- Under Enactus IGDTUW is Project Dharini in which students working on Earthen Sanitary Napkin Incinerator, an earthen vessel which sustainably burns used sanitary napkins to ashes, which are biodegradable and can be done using any fuel. Burning them in an eco-friendly manner helps effectively decreasing the volume of waste generated by a big fraction. Project Dharini was started with preparation and installation of one pilot incinerator at Raahat Toilet Complex, Sulatanpuri, Delhi.
- The social campaign SAMRIDHI stems from the importance of menstrual hygiene. This movement is a crucial aspect to promote human welfare and social reforms, collaborated with Rahnuma, dramatic society of IGDTUW, to spread awareness through their relatable nukkadnataks

- An all-women team of engineering students of University have designed an energy-efficient, low-carbon electric prototype car that will run on a lithium-ion battery.
- Under, ANTARGAT- A creative Society of IGDTUW aims reducing condemnation waste in the University by promoting repair and remodeling of furniture etc.
- The Greensphere society of IGDTUW has successfully installed a Paper Recycling Unit which is being run by the students quite effectively and efficiently. The unit makes quality paper out of waste, which is used for making Greeting Cards, Invitations, Fest charts etc.
- The university has implemented Solar Panel System in the campus which is saving approximately 40% of the electric consumption.
- University has also implemented Rain Water Harvesting System to converse water.
- The Unnat Bharat Abhiyan (UBA-Cell) has been very active by adopting 5 villages under the initiative. Awareness sessions, painting sessions and a two day workshop were conducted for people of village.
- The GreenSphere society at IGDTUW is initiated with a vision to protect and conserve the environment by taking the Green route. Some of the initiatives taken by the society are: Sapling Distribution on Orientation Day every year to welcome the new students of the Institute, Poster Making Competition, Plantation Drive and Theme Photography Events.

FS-ISAC Building Cyber Security Scholarship 2020

Ms. Monika Kumari, M.Tech - IT (ISM) is one of the 14 women engineers who has been awarded World Wide Prestigious Scholarship FS-ISAC (Financial Services Information Sharing and Analysis Center) Building Cyber Security Scholarship 2020 of worth USD10,000 (USD Ten Thousand only). FS-ISAC headquarter in US and Offices in UK and Singapore is the global cyber intelligence sharing community solely focused on financial services

CYBER SECURITY

Award for M Tech student, first from India

GAYATHRI MANI @ New Delhi

MONIKA Kumari, a second-year M.Tech student of Indira Gandhi Technical University for Women (IGTUW), became the first woman in India to get the Financial Services Information Sharing Analysis Center (FS-ISAC) Cyber Security scholarship worth USD 10,000.

The scholarship was launched by FS-ISAC, an industry consortium dedicated to reducing cyber-risk in the global financial system, back in 2016 to support financially and mentor young women in the field of cyber security.

Every year FS-ISAC selects 14 women throughout the world and mentors them to reach great heights in their career. Monika is the first from the city to bag this illustrious scholarship for budding social security enthusiasts.

Sharing her experience, the 25-year-old student of Information Security Management said, "I am very happy and overwhelmed by this development. It is personally a great experience for me as FS-ISAC is a recognised platform on the global stage. Apart from the scholarship, I also get a chance to go abroad and work under great mentors excelling in the field of cyber security."

While the Financial Services Information Sharing Analysis Center is based out of the United States of America, it has offices in the United Kingdom and Singapore as well.

"By bagging the scholarship, Monika has not only made our university proud but has also brought laurels to the entire nation as this particular scholarship is of global relevance," said professor Amita Dev, vice-chancellor of IGTUW.

"It is a matter of great pride for the entire university to see our students making a mark at not only the national level but international level as well," she further added.

GLIMPSE OF UNIVERSITY'S LATEST EVENTS

'EDUCATION MENTORING PROGRAMME' launched by Delhi Chief Minister on 20th March 2021 at IGDTUW designed and dedicated to the Delhi School going girls and will help unleash their immense potential in the field of STEM (Science, Technology, Engineering and Mathematics). Sh. Manish Sisodia, Hon'ble Deputy Chief Minister, Sh. Udit Prakash Rai, IAS, Director, Education & Sports, Sh. H.P. Sran, IAS, Special Secretary, Vigilance along with Vice Chancellors and representatives of various Delhi Universities were present in the inaugural event. Honorable Dy. Chief Minister, Sh. Manish Sisodia ji emphasized on 'Das Minute DeshKe Naam' slogan during his speech. In the first phase 25 girls of IGDTUW are going to work as 'Mentor Leaders' and another 250 girls as mentor are going to handhold approximately 1000 school girls in the front line. Later the program will be targeting 10000 to 15000 school girls with the help of the students of other Delhi Government Universities.

FELICITATION CEREMONY, 4th Felicitation Ceremony organized by the Training And Placement Cell, IGDTUW, for the batch 2021 was held on 10th April, 2021, at IGDTUW Auditorium for giving a warm and encouraging welcome to our new and incoming TNP student team. The TNP Student team of Batch 2020 and 2021 celebrated the success and achievements of their hard work of reaching out to national and international firms.

TAARANGANA 2021 celebrated on 27th– 28thFeb. 2021 was started with Theme, TISHNAGI- ALONE, YET TOGETHER, speaks volumes about how much we reminiscent our bygone days and adds hope that soon things will change for the good

Innervे 2020

Innervे, the Annual Technical Festival of Indira Gandhi Delhi Technical University for Women, is a true mixture of technology, inspiration, and innovation. During the ongoing COVID-19 pandemic, Innervे'20 went online.

The theme of Innervе'20 was Error 404: Tech Not Found, to celebrate the technologies that never saw the light of the day, ideas that never came to fruition. Innervе'20 had a whole treasure trove of fun and learning events of various categories. There were Computer Science and Engineering or Information Technology events, Electronics and Communication Engineering events, Mechanical and Automation Engineering events, BBA events, and informal events.

Innervе'20 conducted various online events such as poster making, web and app development, graphic designing, and slogan writing, for both college as well as school students on the theme COVID-19 to spread awareness. Innervе Hacks and Data Hackathon were conducted to develop ideas into prototypes tackling real-life problems. All in all, this two-day festival of technology became a big success loaded

IGDTUW – ANVESHAN FOUNDATION [TBI]

Indira Gandhi Delhi Technical University for Women (IGDTUW) has promoted and incorporated a separate Section 8 Company under the Companies Act, 2013 to propagate entrepreneurial culture and ecosystem among women, on 13th October 2016 with the support from Government of NCT of Delhi.

Government of NCT of Delhi has funded INR Two crores Fifteen Lakhs in three tranches to support IGDTUW Anveshan Foundation i.e. for Innovation, Entrepreneurship, Start-ups and Incubation related activities at the University Campus.

All kind of facilitation (pertaining to the start-up ecosystem) in five phases of complete incubation and venture development cycle i.e.i) Pre-incubation, ii) Incubation, iii) Acceleration, iv) Post-incubation and even v) Virtual Incubation are provided by Anveshan Foundation.

In the last financial year i.e. 2020-21 amid the pandemic, Anveshan Foundation has become NIDHI-TBI by Department of Science & Technology, Government of India with a support of INR Four Crores Fifty Lakhs.

Core Team

Dr.Amita Dev, Honorable Vice Chancellor IGDTUW is 'Chairperson' of IGDTUW Anveshan Foundation. Dr. Arun Sharma, Head, AI&DS Department is Managing Director of Anveshan Foundation. Apart from them, three more Senior Professors Dr.Ranu Gadi, Dean IRD, Dr. Jasdeep Kaur Dhanoa, Dean Academics and Dr. Manoj Soni from different engineering branches are also the directors of Anveshan Foundation, so that first mentoring to the students, scholars and start-ups promoters can be derived from all the technical streams. Dr. V K Arora has been working as the Chief Executive Officer of the company since its inception.

Facilities

In Pre-incubation, activities related to Motivation, Ideation, PoC, PoV, Innovation, Prototyping, MVP, Feasibility, Prior Art, Intellectual Property Right, Pitching Deck, Business Plan and Presentation skills are provided to the participants by Anveshan Foundation. There is total thirty student members working actively with the E-Cell (Entrepreneurship Cell). Since inception, many activities and events have been organized by the Incubation Center which include workshops, boot-camps, hackathons, industrial visits, inter college/University competitions, management development courses.

CISCO has established complete IoT and robotics Lab 'thingQbator' (worth INR 60 Lakhs) for Innovation through its CSR funds in the year 2018 through its partner

organization NASSCOMFoundation in support with Defy and Li2. thingQbator has conducted four cohorts(of six months each) giving benefits to more than 300 students.

More than a hundred projects in four cohorts have been initiated under this pre-incubation facilitation center.

GiZ India (a German organization) had signed a Contract with Anveshan Foundation worth INR 27.5 Lakhs for Strengthening Incubation & Start-up Ecosystem specially for Women Entrepreneurs. Under this contract twenty-two mentorship sessions, three workshops, three boot camps, four incubators meets and two Pitch/demo days were organized in sixteen months starting from January 2020 till April 2021. This initiative and support from GiZ India has benefited more than five thousands attendees all over the country.

Anveshan Foundation is conducting regular internships, pragmatic workshops and short term courses on a) Start-up Management, b) Innovation & Entrepreneurship, c) Digital Marketing, d) Python, e) Family Business & Entrepreneurship and in many more technical and non-technical areas for confidence building among aspiring women entrepreneurs.

Total twelve private limited companies are working as start-up 'Incubatees' with Anveshan Foundation. All of these incubatees are women enterprises. Out of twelve, ten incubatees are with investment, where Anveshan Foundation has provided seed fund to these incubatees. Details of all these incubatees along with their products& services are available on the website of Anveshan Foundation i.e., www.anveshanfoundation.org. Incubation Center provides facilities for Company Incorporation, fully furnished air-conditioned office space, complete ICT and free consultancies in technical, business and strategic front to all of its incubatees. As mentioned earlier, there is also a provision of Seed Fund against equity for 'Incubatees with Investment'.

IGDTUW Anveshan Foundation has a pool of consultants and mentors associated with it to augment the businesses of its incubatees, which is an essential part of Acceleration Phase. Support in Product Development, Product Refinement, Marketing, Human Resources, Supply Chain, Franchise Models and Bargaining with Investors are provided by IGDTUW Anveshan Foundation.

Incubation Center has also signed tenMoUs with other colleges, institutes and universities to facilitate and establish incubation centers in their premises and to accelerate and diversify businesses of there students andIncubatees through various channels.

After the incubation period, at the phase of post-incubation hand holding support continues from Anveshan Foundation in consultancy, laboratories, innovation support and portfolio management. Through virtual mode, Anveshan Foundation is helping many other start-ups all over the country.

Applicants for the Fifth Batch

IGDTUW Anveshan Foundation is inviting application for its fifth batch of Incubatees. Any women candidate can apply online/ offline. Anveshan Foundation is very much open to the external applicants/ entrepreneurs. We give preference to the students and scholars of IGDTUW.

Students who are going to join IGDTUW are welcome to contact/ visit Anveshan Foundation for their business ideas and plan. They can think of their start-ups (Women enterprises) with their classmates, friends or even family members.

An introductory session will be conducted by Anveshan Foundation during the orientation program of all the new/ fresh students.
