ABOUT US

'IGDTUW – Anveshan Foundation' is a business incubator, as section 8 company promoted by Indira Gandhi Delhi Technical University for Women (IGDTUW) Delhi and recognized by Department of Science & Technology (DST), GoI as Technical Business Incubator.

Working towards the advent of a new age of entrepreneurial pursuits of youth that focus of autonomous generation of employment opportunities and global competition by nurturing budding innovators to tap into their uncharted reserves of prowess and potential, Anveshan Foundation facilitates Next Generation Entrepreneurship, expediently blending creativity, innovation and engineering, product design, and leveraging emerging technologies to evolve out-of-the-box applications.

IGDTUW – Anveshan Foundation was set into stone on 13th October 2016 to develop entrepreneurial eco-system, start-ups and all business incubation related activities that can contribute towards the expansion of the employment sector, social and economic development while imparting real-world, relevant professional experience.

Indira Gandhi Delhi Technical University for Women (IGDTUW) is a technical university exclusively for women and therefore it is our commitment also towards the upliftment and empowerment of women in the society by promoting and assisting Women Entrepreneurs and Enterprises. The Main objective of our business incubator is to facilitate the inception of start-ups and entrepreneurial culture among pioneering innovators.

Vision, Mission & Objective

Vision

To serve as a national platform for innovation and business incubation in order to support and assist women in entrepreneurship and to promote the concept of technology entrepreneurship, and convert business ideas into successful business opportunities.

Mission

- To encourage technological innovation and accelerate the development of commercially viable businesses in technology and allied sectors by providing a nurturing and supportive environment in fostering entrepreneurial ecosystem.
- To accord significant contribution in the economic health through attracting new women enterprises in technological and allied sectors/industries and helping existing businesses to be more successful.
- To promote excellence in learning and training, technology development & transfer and external engagement that promotes innovation and entrepreneurship through collaboration and partnership.

Objective

- To conduct multiple propitious programs, sessions, workshops, boot camps and competitions in the domain of entrepreneurship and start-up to motivate students and scholars.
- To motivate and shape students into autonomous employers in the society through creation of successful business ventures.
- To facilitate the availability of IGDTUW – Anveshan Foundation's resources and seed-money to the incubates in a mutually beneficial way throughout their incubation period.
- To provide guidance and mentoring to budding entrepreneurs, boosting their confidence and helping them to take their business ideas to market in minimum possible time frame.
- To provide a conducive working environment to the e-cell members and incubates to nurture their innovative ideas.

FROM THE CHAIRPERSON'S DESK

IGDTUW Anveshan Foundation is committed to contribute its best in the development of Start-up Ecosystem in India. We believe in capturing and nurturing talent to convert them future leaders. These leaders make their organizations strong and actually play important role in employment generation which is in line with the sustainable development goals of UNDP.

Anveshan is supported by Government of NCT of Delhi and is now a technical business incubator of Department of Science & Technology, GoI. Apart from all the state of art facilities at Anveshan, mentoring has always proven as our strong strength. We have a capable pool of mentors, faculty mentors and other technical experts for prototyping and MVP developments. Anveshan provides freedom to the students and young entrepreneurs to do mistakes and learn from failures. It is believed that useful innovation appears only after mistakes.

We are working very close to the National Education Policy – 2020 of MoE. Anveshan, not only believes in 'Learning' rather it focuses in 'Learn, how to learn'. Along with our education system, entrepreneurial education and development at Anveshan is at par with global standards.

Dr. (Mrs.) Amita Dev
Chairperson

FROM THE MANAGING DIRECTOR'S DESK

To have a positive impact and future ready compliances we need to understand the importance of 'Make in India for the World'. Today India has highest youth population of the world which has both its pros & cons and we need to convert it as an opportunity. World need useful innovations, job market creations, economic values and peace.

Our mission is to encourage technological innovation and accelerate the development of commercially viable businesses in technology and allied sectors by providing a nurturing and supportive environment in fostering entrepreneurial ecosystem.

I would personally extend my gratitude to the Honourable Chairperson and other board members of Anveshan Foundation for their continuous vital support. Students who are inclined as budding entrepreneurs are welcome to interact with us.

Together we will bring a positive change in the society for the society.

Dr. Arun Sharma
Managing Director

FROM THE CHIEF EXECUTIVE OFFICER'S DESK

Welcome to 'IGDTUW Anveshan Foundation', Delhi's best incubation center exclusively for women entrepreneurs (and women enterprises). Whether you are starting with just an idea or looking for a growth path or at the situation of sustainability, we are committed for your long-term success.

Anveshan provides best facilities for its pre-incubatees and incubatees. We also have provision of seed funding. For the harness of the entrepreneurial ecosystem, Anveshan also runs various programs and events for students, budding entrepreneurs, faculty members and mentors from all over India (both online and offline) and co-incubation support.

I urge the entire budding women entrepreneur to feel confident in contacting us. Your contribution and hard work will not only fulfil your dreams but also pivotal for the society and thereby national interest.

With best wishes,

Dr. V K Arora

PRESTIGIOUS COLLABORATIONS

IGDTUW Anveshan Foundation is now DST funded 'Technology Business Incubator'. A total of 5.04 Crore funding over five years' time span is to be disbursed to make Anveshan self-reliant. State of art laboratories like advanced 3D Lab, Advanced Robotics Cell, Rapid Prototyping Lab, Drone Lab and full ICT infrastructure are to be created.

In prestigious collaboration with GiZ Germany (i.e. Deutsche Gesellschaft für Internationale Zusammenarbeit, GmbH), Anveshan Foundation is organising various activities like a) Boot camps, b) Networking with other incubators (CEO Meets), c) Training & Workshops for capacity building and Demo/ Pitch Days.

IPR Cell i.e. Intellectual Property Rights Division is formed to help students, scholars, incubatees and faculty members on Trademarks, Copyrights, Patents, Design registrations and trade secrets. A fruitful MoU with Ennoble IP has been signed on this regard.

GLIMPSE OF EVENTS/BOOT CAMPS/BUSINESS COMPETITIONS CONDUCTED

INNOPRENEUR – Business Plan Competition

IGDTUW Anveshan Foundation, with relentless support and assistance from IGDTUW conducted a regional level competition 'Innopreneur - 2020'. The event served as a zealous opportunity for aspiring contestants to present and showcase their unique business ideas. The program was conducted in association with Lemon Ideas, Lemon School of Entrepreneurship and GiZ on 03rd January 2020 at Indira Gandhi Delhi Technical University for Women, Delhi.

Twenty-three teams from various institutions and incubation centers (of Northern India) had participated in the contest. Five teams were shortlisted to proceed to the National level, out of which the following two teams were the Incubatees of IGDTUW Anveshan Foundation.

a) ETI Labs Private Limited promoted by Ms. Manasi Mishra
b) SteamEdu Learning Private Limited founded by Dr. Rashmi Tyagi

MENTORSHIP SESSIONS FOR STARTUPS: SERIES
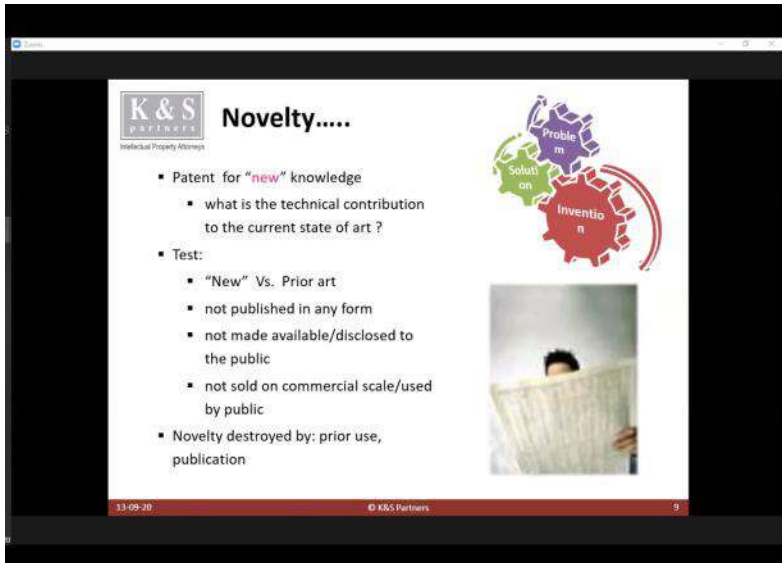

The prime objective of IGDTUW Anveshan Foundation is to motivate and facilitate budding women entrepreneurs towards their successful entrepreneurial journey, proving their success story, contributing entrepreneurial spawning and ultimately converging benefits to the society. Furthermore, to achieve this objective various mentoring session to mentor/ advice startups, incubatees, entrepreneurship aspirants and to foster entrepreneurial and startup ecosystem were organized by IGDTUW Anveshan Foundation. One such initiative was '*Mentorship Session: Startup Series*', under which various sessions were conducted in recent time by calling various experts from startup ecosystem. Each session was followed with one to one Question and Answer round. These questions were answered using pragmatic experience of the experts. This initiative was also supported by the Indo-German project on innovation promotion (MSME) and GIZ i.e. Deutsche Gesellschaft für Internationale Zusammenarbeit, GmbH which has been providing technical and strategic support to the incubators to carry on startup promotion activities as well.

Community Outreach by Incubatee

STEAMEDU LEARNING (Incubated under IGDTUW Anveshan Foundation) took an initiative to support SINDHU SHIKSHA ABHIYAN, a community outreach project to mentor young minds at Leh Ladakh for innovation and entrepreneurship.

A community outreach program with the assistance of their student interns was done to make the S.T.E.A.M. Education (Science, Technology, Engineering, Arts and Mathematics) accessible to all deserving candidates from diverse backgrounds, by reaching out to the secluded geographical pockets as well as education centres where a stigma for such fashion and methodologies of modern education still lingers.

Young girls from different schools at Leh Ladakh were meticulously mentored by Team STEAMEDU for developing mobile apps to address local, imperative quandaries during the 5-day community outreach program – GENIUS(Girls Empowering New India Using STEAM) at World's Highest Altitude Region Leh-Ladakh by STEAMEDU (incubated under IGDTUW – Anveshan Foundation).

Team of three students of IGDTUW (Ms Shivani, Ms Vani and Ms Shubhangi) led by Cofounder of STEAMEDU LEARNING Mr. Dharamraj Panwar had visited Ladakh and mentored young girls selected from BVN School, Leh and Mahabodhi School, Leh at SINDHU TECH CENTER at Choglamsar, Leh for developing android apps to address their local community problems using design thinking and MIT App inventor.

IGDTUW ANVESHAN FOUNDATION

The **Sustainable Development Goals set by United Nations (UN)** are a universal call to act on 'Poverty, Peace and Prosperity'. With a total of 17 goals, it was implemented in the year 2015 and was made a must to be adopted by all UN Member States, targeting 2030 as the year of culmination for all solutions. With only one decade remaining, we need to improve and move fast For People-For Planet, possible only through Global Action, Local Action and People Action.

As a local action, 'Government of NCT of Delhi' has funded and facilitated eleven incubation centres in the region of Delhi. All of these incubation centres are working on various parameters of SDGs to facilitate the cummulative fulfillment of 'Global Goals'.

IGDTUW Anveshan Foundation is also working hard on Sustainable Development Goals. Our initiatives and endeavors are primarily governed by the principles of 'No Poverty', 'Quality Entrepreneurial Education', 'Women Entrepreneurship', 'Economic Growth', 'Innovations' and 'Strategic Partnerships for Goals' and their inherent resolutions.

No Poverty

We attempt to assist our Incubatee Companies in all possible ways (along with seed fund, which is a collateral fee) to advance in their zealous endeavours and progress to success. All these efforts have had an overall contribution towars the generation of employment and thereby advancing one step in mitigating poverty in the state of Delhi.

Gender Equality

Gender Equality: - Abiding to our prime objective, we predominantly support women entrepreneurs and enterprises. Our ultimate motto is to contribute towards the inculcation of gender equality in the corporate sector, with our relentless ardour.

24

Snapshoot Session being conducted by Ms. Anila Alam, Founder, Mitti Café on Topic - Achieving Sustainable Development Goals through Social Entrepreneurship

Quality Education

Apart from the regular schemes of curriculum for various educational programs conducted by the University, we have additionally conducted several workshops, boot-camps, mentorship sessions, internships and courses focusing on entrepreneurship, social entrepreneurship and intrapreneurship. Online interaction of Ms. Anila Alam, Founder, Mitti Café on 'Achieving Sustainable Goals through Social Entrepreneurship' on 09th August 2020 and Mr. Arun Nagpal, Managing Director and Co-founder, Mrida Group on 'Reflections of a Social Entrepreneur' have added value to the cognizance of our incubatees and students towards Social Entrepreneurship.

Industry, Innovation and Infrastructure

The common business model shared by most of our incubatee companies is 'continuous innovation driven' which has potential impact on both Industry and Academia. Innovations achieved and practiced by ETI Labs, SteamEdu and Nature Fab have been truly remarkable.

Partnership for Goals

We had entered in a fruitful partnership with GiZ Germany for Women Entrepreneurship and Women Empowerment in the year 2019. Under this partnership we are committed to assist and serve aspirant entrepreneurs from all over the country. Anveshan has also signed various MoUs with other colleges of the NCR Region to propagate entrepreneurship and start-ups culture among their students and scholars.

How to reach IGDTUW:

Arrival by AIR:

If you are coming to Delhi by air, we strongly recommended flying into Delhi Airport. The Delhi airport is located about 24 km from IGDTUW. You may hire a taxi at the airport. It takes approximately one hour to drive from the Delhi airport to the IGDTUW Anveshan Foundation.

Arrival by TRAIN:

New Delhi Railway station is well-connected to most cities in North, East and South India. IGDTUW is located at a distance of about 05 kilometers from the New Delhi Railway Station and less than one kilometer from Old Delhi Railway Station.

Arrival by METRO:

The nearest metro station is Kashmere Gate and the Gate No.7 exit has a walking distance of about 5-7 mins to the college.
